

Strategic Priorities

Mission

DCO is a provincial network that leads, promotes and builds the capacity of community based agencies engaged in activities related to suicide prevention and improving the quality of life for Ontarians.

Increase access for Ontarians in crisis or distress by offering multiple service delivery channels

- *Province-wide integrated support lines*
- *Province-wide web support services*
- *Promoting use of new technologies*

Provide sharing and capacity building services for our membership and partners through

- *Delivery of superior quality education*
- *Information sharing*
- *Superior quality training*

Assist our membership to realize their social objectives through

- *Significantly increasing awareness of their services*
- *Promoting their service delivery models*

Expand the resource capacity of our association and network by emphasizing

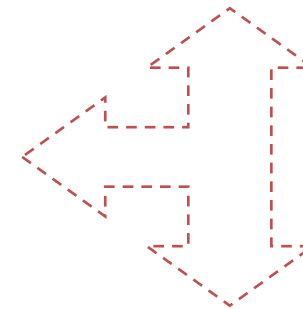

- *Financial support*
- *Communications*
- *Organizational development*
- *Human resources*

Realign the services and direction of the association to reflect transitions in

- *Health care*
- *Mental health*
- *Social services*

Vision

To foster and maintain an environment where the social fabric of Ontario is supported and no Ontarian in emotional distress suffers in silence.

Aspirations – By 2016 we will have:

- ✓ A strong sector-wide association
- ✓ A Collaborative Network
- ✓ Financial Stability
- ✓ Recognition as the Sector Hub of Expertise

MOVING FORWARD THROUGH PARTNERSHIPS
