### Help Support Mental Health with DCO's Giving Campaign

Traditionally, the season begins in November with the U.S. Thanksgiving, followed by Black Friday and Cyber Monday, the two biggest shopping days of the year. But in recent years there has been a movement against the commercialization of the holidays and a move towards giving back to our communities.

### Cybersecurity: Common Risks

Cybersecurity affects organizations around the world. On average, large organizations experience around 100 attacks a year, with about a third ending in "success" for the cybercriminal, according to the Institute for Fraud Prevention. Large companies or organizations aren't the only targets. Cybercriminals also pursue smaller businesses and organizations, viewing them as more vulnerable and less likely to be able to thwart malicious attacks.
