Mourning the 751 Unmarked Graves Found at Marieval Indian Residential School

June 24, 2021

Cowessess First Nation has shared that it has found 751 unmarked graves on the grounds of the former Marieval Indian Residential School in Saskatchewan. This news is devastating to hear.

To anyone who needs to talk through their emotions about these findings, what this means, and how to go through processing the feelings associated with this news, we are here for you. You are not alone. The volunteers at our Member Centres are always here to listen. Our Members in Nunavut and Thunder Bay are both well-equipped to provide support from an Indigenous perspective.
