APPLICATION FOR BOARD OF DIRECTORS

The Ontario Association of Distress Centres, operating as Distress and Crisis Ontario (DCO) is a provincial network association. It facilitates, promotes, and works to build the capacity of community-based agencies engaged in activities related to suicide prevention and improving the quality of life for Ontarians experiencing distress and mental health problems. Our member centres provide telephone, chat, and/or text support, as well as providing referral services to those in distress, crisis, or facing suicidal ideation throughout the province.

Our Board and Committees are accountable to our funders, a range of interested parties, and especially to the member organizations of DCO. We work to meet the needs of our Members and help them develop their service networks in Ontario. Our success is measured by our ability to forge and sustain new partnerships with agencies, organizations, and stakeholders who share a similar interest in improving the lives of those facing significant emotional and mental health issues.
